

# BYOBottle

A MUSIC INDUSTRY EFFORT TO TURN THE TIDE ON PLASTIC POLLUTION

## VENUES & Festivals

The BYOBottle Campaign engages artists, venues, festivals and fans to reduce plastic waste in the music industry by promoting reusable water bottles and water refill stations at music events. Make the commitment to BYOBottle and join the campaign at [www.BYOBottle.org](http://www.BYOBottle.org). Together we can show that the music industry is committed to reducing plastic pollution!

**BYOBottle Venue Commitment:** We commit to help reduce plastic waste in the music industry and support musicians who BYOBottle by providing water refill stations backstage. We will allow fans to BYOBottle and provide water refill stations in front of house whenever possible.

1

### MAKE A COMMITMENT TO BYOBottle!

- Educate your staff and join the campaign at [www.BYOBottle.org](http://www.BYOBottle.org)
- Outfit your staff with reusable water bottles
- Offer water refill stations or dispensers backstage for artists
- Offer water refill stations FOH for fans

2

### ASK ARTISTS TO SUPPORT YOUR BYOBottle COMMITMENT:

- Communicate the BYOBottle message to artists
- Provide reusable cups or water bottles for use backstage

3

### SHARE OUT YOUR BYOBottle COMMITMENT WITH FANS:

- Create branded reusable water bottles for fans to purchase
- Allow patrons to bring in their own empty reusable water bottles to be refilled on-site
- Share the #BYOBottle message on social media

- 2 BYOBottle Newsletter Content
- 3 BYOBottle Venue Communication/FAQ
- 4 BYOBottle Inclusion in Venue/Festival Press Release
- 5 BYOBottle Talking Points for Venues - to educate staff
- 6 BYOBottle Festival Letter - for festivals to engage artists

### 1 BYOBottle SOCIAL MEDIA

Suggested language to be accompanied with a photo or video of your venue/festival or provided [BYOBottle campaign graphics](#). Please include these BYOBottle social media handles: Facebook: @byobottlecampaign / Instagram: @BYOBottle / Twitter: @BYO\_Bottle

#### Shorter Social Media Posts for Twitter, Instagram or Facebook:

- We are proud to join #BYOBottle, a music industry effort to turn the tide on plastic pollution! Learn more at [www.byobottle.org](http://www.byobottle.org).
- We are proud to join #BYOBottle, a music industry campaign to rock reusable water bottles. Join us & bring your own EMPTY reusable water bottle (@ insert concert/festival) to help turn the tide on plastic pollution!
- We support the #BYOBottle campaign, a music industry effort to turn the tide on plastic pollution! Concertgoers can bring their own, EMPTY water bottles to refill at our water stations to reduce plastic waste.

#### Longer Social Media Posts for Instagram or Facebook:

- We are proud to join #BYOBottle, a music industry campaign to promote reusable water bottles and turn the tide on plastic pollution. Recent images in the press show the shocking sea of plastic waste left behind after concerts and festivals, but momentum to promote solutions in the music scene is growing! Concertgoers can bring their own, EMPTY water bottles to (@ insert concert/festival) & refill at our water stations to reduce plastic waste. Learn more about how to take action as a fan at [byobottle.org](http://byobottle.org). Join us and rock your reusable water bottle!

### 2 BYOBottle NEWSLETTER CONTENT

We are proud to join the **BYOBottle** Campaign engaging artists, venues, festivals, and fans to reduce plastic waste in the music industry by promoting reusable water bottles and water refill stations at music events. Recent press images have highlighted the shocking sea of plastic waste left behind after concerts and festivals, but momentum to promote solutions in the music scene is growing. Concertgoers are permitted to bring their own, **EMPTY** refillable water bottle to (@ insert concert/festival) and water refill stations will be provided. Rock your reusable water bottle and help turn the tide on plastic pollution! Learn more about how you can take action as a fan at [www.byobottle.org](http://www.byobottle.org).

### 3 BYOBottle VENUE COMMUNICATION/FAQ (whenever water bottles are allowed)

We are a BYOBottle venue/festival committed to reducing plastic waste in the music industry. Concertgoers are permitted to bring their own, **EMPTY** refillable water bottle into the show and water refill stations will be provided.

### 4 BYOBottle INCLUSION IN VENUE/FESTIVAL PRESS RELEASE

(Insert Venue/Festival Name) is a proud partner of the **BYOBottle** Campaign, a music industry effort to reduce plastic waste by promoting reusable water bottles and water refill stations at music events. Artists, venues, festivals and fans are joining BYOBottle to turn the tide on plastic pollution.

### 5 BYOBottle TALKING POINTS FOR VENUES - to educate staff

We have signed on to the **BYOBottle** campaign, a music industry effort to reduce plastic waste, with a focus on single-use plastic water bottles. Recent press images have highlighted the shocking sea of plastic waste left behind after concerts and festivals, but we are committed to being part of the growing momentum within the music scene to turn the tide on plastic pollution.

## Venue & Festival BYOBottle Communications Library

### **Here is what [insert venue name] is doing to support this effort:**

We provide water refill stations backstage for artists, crew, and venue staff to easily refill. Water stations for staff are located in the following areas: [location 1, location 2. Etc.]

We allow fans to bring in an EMPTY reusable water bottle unless otherwise restricted due to security reasons. We provide opportunities for fans to refill their water bottles in the following locations: [water refill station 1, concessions window 2, etc. ]

[Insert other relevant talking points specific to your venue i.e. if/where fans can purchase reusable water bottles onsite, etc. ]

### **Here is what YOU, our venue staff, can do to support this effort both at work and in your own lives:**

- Remember to carry and use your reusable water bottle to show your commitment to reducing plastic waste!
- Assist fans by showing them where they can refill their water bottles at one of the water refill locations in front of house.
- Take the BYOBottle pledge at [www.byobottle.org](http://www.byobottle.org)

We thank you in advance for your participation and engagement. Together, we can take steps toward a more sustainable venue (or festival).
